## JOHN DORE

Author of 50+ publications in human development presenting:  
**Family Constellations For Healing**

*Constellations work by activating a natural healing process within us to resolve emotional stress, physical pain, or relationship conflicts. It offer solutions for anxiety, depression, addictions, trauma, and problems or failures in life. Constellations help release wounds that hold us back and bring harmony back to families by settling "unfinished business" or "hidden loyalties" that divide them.*

**6:00 PM FRI NOV. 4 - 2:30 PM SUN NOV. 6**  
**Land of My Grandfathers, Madisonville Texas**

**Meals and Lodging provided.**
