**Also Expect:** Summer Solstice Ceremony, a magical time of renewal, inspired quiet and deep fireside conversation, breakout sessions and free time. Informal spontaneous porch and beach gatherings around estuary flora and fauna, the spoken word, aging gracefully, music, vets issues . . . facilitate and/or ask for the sessions that are important to you.

**Transformation!** We see a new role for Elders, beyond the frequent lot of older men, crabby and complaining about the world going to hell in a hand basket. True Elders can see through what is happening around them to the beauty and abundance that is also present. West Wind provides a perfect setting in which to underline this – to take in this reality deeply and then take it home.

**Re-Creation!** A magical time of renewal, including Summer Solstice Celebration with beach bonfire, inspired quiet and deep conversations in the midst of beauty, poetry, music, breakout sessions, etc.

**Co-Creation!** This is the Northwest Center's **12th annual** summer elder retreat. All rich and meaningful events and this one will be very special. You are invited to come play and learn with us.

**Why I'll be there:**

**"For me, the NW Elder Retreat has become the highlight of my year. It is my Valhalla, Warrior Heaven."**

**"I enjoy the company of elders. I come to these elder retreats for the 'craic' (pronounced crack). That's Irish for interesting banter, good company, genial conversation, rumbling belly laughs, and great stories. When I reflect back on the many elder retreats I've attended, all I remember is" craic was mighty."**

***"The big question is whether you are going to be able to say a hearty yes to your adventure."***
