

**MKPI ELDER COURT
BUSINESS MEETING
Thursday, January 13, 2011**

The first phone meeting of the Elder Court was held at 5 PM, Thursday, January 13, 2011.

Members of the Court in attendance:

Terry Jones
Phil Wolpe
Norman Pearl
John Campbell
Jeremy Jones
John de Strakosch
Roger Cox
Terry Atzen

After check-in and introductions the following topics were discussed:

1. The open position on the Court of Elder Events Coordinator.
2. A new name for our USA meeting - "Americas Gathering of Elders". Discussion with no decision with the topic left open for further consideration.
3. What is the role of the elder in light of the emotional reaction men are having to the discussion about consolidation of USA centers?
4. Bridge calls with centers around the country - the schedule of the calls and the Courts invitation to participate in the calls. The Court responsibility will be to a sounding-board for ideas, feedback and support.
5. The Elder website is "under construction" and it was voted unanimously by The Court that Norman continue his development of this exciting media avenue of communication with the world. It was expressed that this site could be the "role model" for the entire MKP community and a tremendous calling for Elders to fulfill.

Respectfully submitted,

Terry Atzen
