Discussion regarding USAGE (U.S.A. Gathering of Elders) this fall in Louisville or Indianapolis in October. Details are being worked out. Also of considerations is some activities for female partners of attendees.

The Court heard an update of the three fruitful bridge calls with Community Elders held to date. It is the intention to do the calls quarterly with each region with a variety of intent in order to enrich the eldering process for our bothers throughout the country.

The Court heard the Life Story of Roger Cox prior to check-out.
